

DETAILED ACTION

1. Claims 1-12 are pending in the instant application.

Response to Amendment

2. The reply filed on March 3, 2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant did not comply with the election of species requirement. Applicant is required to elect a single species (ie. *one single method for preparing one single compound* of Formula I, for instance, Example 1 from the instant specification pg. 15). In the response dated March 3, 2008, Applicant did not elect a single reaction (with specified reagents, reaction conditions, etc), rather, merely a single compound of Formula I. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
